[1] older verion

[2] Pro Unlimited licensing for everything they have to offer for $25/month.

Access to their Github and 30+ first party add-on's

[3] GitHub only accessible if you have an active subscription.

[4] They do have video tutorials but documentation overall is not that indepth and it's difficult to look through.

[5] Addon marketplace is in development
https://pyrocms.com/documentation/pyrocms/3.9/prologue/addon-marketplace

[6] https://voyager-docs.devdojo.com/getting-started/prerequisites

[7] They have Video tutorials and their documentations looks complete. https://voyager.devdojo.com/academy/

[8] https://larapack.io/

[9] https://backpackforlaravel.com/docs

[10] Free to use on localhost. Fee of 69$ per commercial project or 399$ for unlimited projects.

[11] They have a video, text and email course. Their documentation looks complete and it's easy to search/find information.

[12] patch updates weekly
minor updates about every 6 months
Major (paid) ever 2-3 years

[13] https://backpackforlaravel.com/docs/4.1/add-ons-official

and widgets/components
https://backstrap.net/

[14] 199$ per project

[15] the platform has video tutorials, their documentation is not too in depth.

[16] nova packages https://novapackages.com/

[17] Admin demo currently not working

[18] solo project is free
pro version costs $259 per project
(1 year updates free after that $59 per year)
Enterprise custom price
Master license $1095

[19] video, text and email course
Very chaotic site, documentation looks good but it's not always super clear in explanation.

[20] https://statamic.com/addons

[21] entry 90 euro per maand
teams 411 euro per maand
enterprise 2999 euro per maand

[22] Basic support is 143 euro per month

Their forum is not in use anymore, the last post is 2 years ago.

Last blog update was in 2017

[23] support form link goes back to the home page

[24] Not entirely complete and very minimal where there is documentation

[25] Admin demo currently not working

[26] solo project is free without updates

bronze: $60 per year (5 projects)
silver: $168 per year (15 projects)
Gold: $977 per year (unlimited)

[27] Limited demo

[28] Redactor - no image crop option https://imperavi.com/redactor/

[29] TinyMCE -> Image crop is limited

[30] There is a search function and a sort option, but there aren't any filters.

[31] https://studio-42.github.io/elFinder/#elf_l1_Lw

[32] https://github.com/Laravel-Backpack/PermissionManager

[33] ckeditor

[34] Look limited in options

[35] Limited

[36] Quill -> no image cropper

[37] only 136 icons https://pyrocms.com/documentation/streams-platform/1.5/ui/icons

[38] They use their own icon font. Very limited in choice.

[39] Line awesome, quite a big library similiar to Font awesome but for free. Also an option to add other or your own font library.

[40] only 104 icons https://github.com/sschoger/heroicons-ui

[41] Option is not out-of-the-box included but it's easy to add.

[42] only 104 icons https://github.com/sschoger/heroicons-ui
